Paul Basler

The piano dedicated today is a 1963 model B Steinway completely restored, inside and out, by Reeder Pianos in Lansing, Michigan. We wish to thank Jim Reeder, founder, for the quality of his company's workmanship and the care given to service and delivery. More information about Reeder Pianos can be found on their website: www.reederpianos.com.

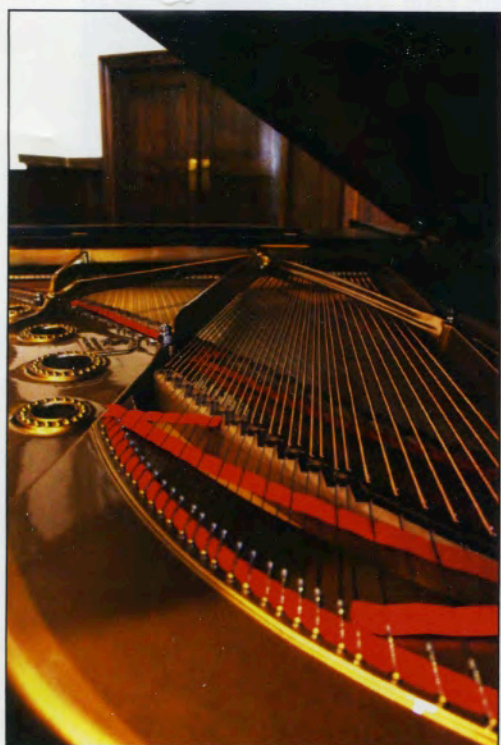

The Music Committee warmly thanks all of the donors listed on the next page for their generous and loving gifts. We also thank Uncle Cheetah's for providing the soup lunch as a gift to the church for this occasion.

On a cold day in December, the piano arrived in the back of a heated truck.

Attaching the legs and the pedals.

Inside of the piano where the sound is produced.

Piano in its final configuration.
